In 2019 we are excited to once again welcome the Northwestern Pennsylvania Golf Course Superintendents Association (NWPGCSA) to our list of sponsoring organizations for this event. This organization and our continual sponsors, Allegheny College and the Keystone Athletic Field Managers (KAFMO), make this the premier green industry conference in northwestern Pennsylvania, eastern Ohio, and western New York. Pennsylvania pesticide certification credits and GCSAA and CSFM continuing education credits will be available throughout the conference.

Our heartfelt sympathies are extended to the family and friends of Donald Ord who passed away around Christmas of 2018. Many of you will remember Don as a Sales Rep. for E. H. Griffith, and he remained a member of NWPGCSA for several years after he retired. I have been unable to find an obituary in any of the local papers. It was only through some investigative work by Van and Jeanne Smith (Stoughton Acres GC), who drove to his home and talked with a neighbor, that I learned of Don's passing.
